Marcus Chen

Machine Learning Engineer | marcus.chen@email.com | +1 (555) 019-2834 | linkedin.com/in/marcuschen

PROFESSIONAL SUMMARY

Data professional with 2 years of experience focusing on Machine Learning modeling and cloud data pipelines. Extensive experience with Python, Pandas, SQL, and AWS.

TECHNICAL EXPERTISE

· Data Engineering & Cloud: Python, SQL, Pandas, AWS, Docker.

· Modeling: Machine Learning, Scikit-learn, Statistics, Predictive Modeling.

EXPERIENCE

Machine Learning Practitioner | AI Core Systems | 2022 - 2024

· Built classification and regression models in Python using Pandas and scikit-learn.

· Deployed model inference pipelines on AWS cloud infrastructure.

· Wrote complex SQL scripts to extract high-volume log data.

EDUCATION

Master of Science in Data Science | Tech Institute | 2020 - 2022
